Dear George:

I am forwarding herewith three copies of a summary of the work performed under Contract A-101. This summary attempts to provide the kind of information requested by Tony in his letter dated March 27, 1957. I hope you will find it useful in its present form. Should you desire modifications or additions to the material, we will be happy to provide it upon request.

I have assumed that three copies of this report might be sufficient. It is probable that Dick would like one of the copies, in which case the other two might be given to Tony in response to his request.

Sincerely,

Burt
